## Late & Casual Registration Fees

Ver 2.0 26<sup>th</sup> November 2020

### 1 **Aim.**

- 1.1 The aim of this policy is to ensure that Waratah Netball Club has a fair and equitable policy for those players who register late or part-way through the season.

### 2 **Definitions.**

- 2.1 **Casual Registration.** From time to time, teams may be required to recruit players for one or more games. Such a player is referred to as a 'Casual Player' and will pay a casual registration fee to NNA before playing for the team. When the Casual player has played three games, that player is considered by NNA to be a registered member of the team in which they played the third game. Therefore, should a Casual player takes the court for their 4th game, they are then classed as a Club 'Late Registration player'. The Player must pay the additional fees in accordance with the Club Late Registration fee structure below unless it can be ascertained that the player will not be participating in any more matches.
- 2.2 **Late Registration.** Occasionally, a team may require a player to register as part of the team for a significant part of the season, usually in the case of injury to another player. If the replacement player intends to play for the remainder of the season, then that player is deemed a Club 'Late Registration'. The Club recognises that although a Late Registration player should pay a similar fee to a normal registration player, it is unfair to expect a Late Registration player to pay the full fee when they are not playing for a significant part of the season.

### 3 **Fees.**

- 3.1 **Casual Player.** Noting that a Casual player would have already paid the NNA Casual fees, the additional fee will be in accordance with the following:
- 3.1.1 If before Round 7, the difference between NNA Fee and the Club Fee. This effectively mean that member will pay the full Club fee.
- 3.1.2 If at or after Round 7, \$45<sup>1</sup> for Cadet, U21, and Senior players, and of \$25<sup>2</sup> for Junior players and below.

---

<sup>1</sup> \$45 comprises of the \$20 Presentation Dinner fee, and the \$25 End of Season Players' 'Gift' fee

<sup>2</sup> \$25 comprises the End of Season Players' 'Gift' fee

- 3.2 **Late Registration.** The Late Registration fee will be the NNA Casual fee **plus** the following:
- 3.2.1 If before Round 7, the difference between NNA Fee and the Club Fee. This effectively mean that member will pay the full Club fee.
  - 3.2.2 If at or after Round 7, \$45 for Cadet, U21, and Senior players, and of \$25 for Junior players and below.
- 4 **Minimum Court Time.** Notwithstanding the fee structure above, any Late Registration or Casual Registration player who plays less than half of available games will be entitled to a refund determined by the Club Management Committee.
- 5 **With Effect Date.** This policy is with effect 26<sup>th</sup> November 2020.
- 6 **Review Date.** This policy is to be reviewed before January 2022.
